Andrew Dinsmore Cemetery Trust Fund.

At the annual town meeting held on the 12th of March 1901 the following vote was passed:

"Voted, to accept from Andrew Dinsmore or his Executor, after his decease such sum of money as he may pay into the town treasury as a Trust Fund, the annual income of which shall be used annually to keep his burial lot in the burying ground near the school house in District No. 7 in good repair, agreeable to the request of said Dinsmore."

The codicil to the will of the late Mr. Dinsmore providing for the establishment of this Trust Fund reads as follows: "I, Andrew Dinsmore, of Conway in the County of Carroll and State of New Hampshire, make this codicil to my last will and testament.

I hereby revoke section third in said will and substitute the following in place thereof, viz.

I give and bequeath to the town of Conway the sum of One Hundred and Fifty dollars, (\$150), as a trust fund the income of which shall be used annually to keep my burial lot in the burying ground near the school house in District No. 7 in good repair. Dated this 11th day of January 1904.

(Signed) Andrew Dinsmore."

On the 1st day of October 1908 I received from Mr. A. D. Davis, Exector of the will of the late Mr. Dinsmore the sum of \$150 as provided in said will and deposited the same

in the savings Department of the North Conway Loan & Banking Co. where it awaits any other disposition the voters of the town see fit to make of it.

It will earn as now deposited \$6.00 per annum.

J. L. GIBSON, Treasurer.

Report of Public Libraries.

REPORT OF LIBRARIAN OF CONWAY PUBLIC LIBRARY AT CONWAY, N. H., FOR YEAR ENDING DECEMBER 31, 1908.

The work of the Library has been carried on, with a few changes, as in previous years. The Library has been open 314 days. The total number of books let out being 6893. The greatest number of them were Fiction 4272, Juvenile 2385. The remainder divided among other classes. The largest circulation for one month was 755.

There have been 150 books added to the book room by the Eastman fund beside a few others by friends of the village. Also a number of magazines have been given by Mrs. G. D. Redlon, Mrs. S. C. Hill, Mrs. Orcutt, Mrs. H. B. Fifield and Mr. O. S. Hiscock. By the kindness of the editor, The White Mountain Reporter is on the reading table. While the Munsey, Cosmopolitan, Technical World, St. Nicholas, Youth's Companion, American Boy and daily papers were provided by fines.

Mr. G. D. Barnes, Mr. J. John Buzzell, Mr. G. A. Chapman and Mr. T. W. Silloway have given a number of relics for the curio room.

We wish to thank all for their kindly aid and interest.

NINA B. HISCOCK, Librarian.

REPORT OF LIBRARIAN OF THE FREE PUBLIC LIBRARY AT CENTER CONWAY.

The work at the Library has been especially interesting during the year just past. This interest has been brought about by the appearance, at frequent intervals, of new books, purchased from the appropriation made by the town and numerous gifts from friends and patrons.

New magazines are eagerly sought for by both young and older readers. The past year we have had regularly; Ladies Home Journal, Woman's Home Companion, World's Work, Review of Reviews, Munsey, Red Book, Everybody's. Mrs. J. E. Morrill continuing the Outlook subscription; Mrs. W. J. Comstock, New Haven, Conn., the St. Nicholas; and Edna Thoits, the Youth's Companion. Mrs. Comstock also gave money from which thirteen books were purchased. Mrs. Ruth Morrill Starrett of New York, presented three volumes; Mrs. Harriet S. Nichols, Lowell, one; Mr. W. H. Chapman,

Portland, one; Mrs. C. H. Hollister, Grand Rapids, Mich., twenty-five; Mrs. Ellen M. Mason, seven bound volumes of White Mountain Echo; Mrs. A. M. D. Blouin, one volume; and from the appropriated money, ninety-nine books have been purchased, making an addition of one hundred and fifty volumes.

To any and to all who in these ways contribute to the moral uplift and the making of a better and nobler manhood and womanhood, by the placing within the reach of all freely, good literature and reading, we extend our thanks.

During the summer three new cases of shelves were placed in the library. The room is much too small, and a larger room or a new home is much needed. The circulation of books for the year has been on the usual average. Fiction, 2,023; Juvenile, 815; miscellaneous, 156; total, 2,994-

Respectfully submitted,

I hereby certify that the above and foregoing is a true transcript of all the Births, Marriages and Deaths that have been reported to me for the year ending December 31, 1908. W. R. BURNELL, Town Clerk.

School Report.

During the past year the schools have maintained their usual high standing throughout the district, most of the teachers have done excellent work, the exceptions were due to the resignations of some of the teachers and the unavoidable interruptions incident to installing new teachers.

At Conway Village, Miss Young resigned as teacher of the first primary school at the close of the fall term, in order to complete a course in normal school. Miss Alice M. Morrison of North Conway was placed in charge of that school for the remainder of the year.

Mrs. Adeline McDonald resigned as principal of the grammar school at Conway Village at the close of the fall term on account of ill health, and her resignation was accepted with reluctance as she has a long record of successful teaching in Conway. In 1892-3 she taught two terms at Center Conway. In the fall of 1894 when the intermediate grade was established at Conway Village, she was placed in charge of that school continuing until the end of the school year in June 1898. At the beginning of the school in Sept. 1899 she was placed in charge of the grammar school at Center Conway as principal, where she remained until the end of the school year in June 1902. At the beginning of the spring term in 1903 she was placed in charge of the grammar school at Conway Village as principal, where she remained until the end of the fall term in 1908. Mrs. McDonald has always been faithful, conscientious and thorough in her teaching, thereby winning the respect of her scholars, and the confidence of the school board and public, and in her resignation we feel that we have lost one of our best teachers. Mr. Stephen W. Ferguson, recommended by a teachers' agency in Worcester, Mass., was secured to take charge of the school.

At Center Conway the teacher of the primary school, Miss Lucy Jacobs, who took charge of the school in September, failed to return as she agreed to for the winter term which caused a delay of two weeks in opening that school. Mrs. Florence P. Ferguson was secured for this school.

At North Conway and Kearsarge there has been no change of teachers, and the work has been most satisfactory. In fact it has demonstrated that good teachers should be retained as long as possible.

Miss Katherine F. Charles at the McMillan school is giving the district good work.

The unusually large number of the incidental expenses the past year has so reduced the funds that the School Board were unable to have more than thirty-two weeks school year instead of thirty-three weeks as in the past.

The increase in the amount of books and supplies for the past year is explained by the fact that there was no supply on hand at the beginning of the year. That the teachers and scholars have used more per capita this year than in the past. That the Readers and Arithmetics were in such condition that it was necessary to either buy almost an entire new lot of text books or exchange for a better book at practically the same figure. The last was considered, by the Board, the wiser thing to do; further by the increase of the number of scholars attending our schools for the past year.

At the meeting of the School Board in August, George B. Reed tendered his resignation as a member of the School Board, as his business called him out of town, and he was unable to attend to the duties of his office. The resignation was accepted, and later Dr. Charles P. Buzzell was appointed to fill the vacancy for the remainder of the year.

During the summer new seats were purchased and placed in the primary room at Center Conway, also in the grammar room at North Conway. At Redstone a wood ceiling has been put in in the primary room, the woodwork painted and the walls murescoed in the entire building. At East Conway the school house was painted on the outside.

We regret to say that there has been no abatement of breaking of window glass at the McMillan school house, and that all appeals to the proper authorities have brought no result either in ending the mischief or discovering the guilty parties.

The condition of the cesspool at the North Conway school house became such that the health of the scholars there was in danger by reason of the backing up of the water from the old cesspool, and therefore a new one was put in, taking the overflow from the old one.

At the county road school house there was no suitable drinking water to be had within a reasonable distance, so a well was deemed necessary by the School Board, therefore one was dug and nearly completed, the ground freezing made it impossible to finish grading it satisfactorily.

REPAIRS NEEDED.

The school house at Redstone needs painting on the outside, and grading around the building. The school house

at Center Conway needs painting on the outside. The house at the West Side needs a wood ceiling, the woodwork painted and the walls whitened, and the underpinning repaired. The county road school house is becoming crowded and needs enlarging, a wood shed built, and the buildings painted on the outside. A pump is also needed for the well.

FURNITURE NEEDED.

The blackboards at the McMillan and West Side school houses, being of plastering, and by its having fallen off it will be necessary to replace them with new ones. Storm windows are recommended for the north and west sides of the West Side school house, as it is impossible to make the room comfortable on these sides of the room with a cold northwest wind blowing, which is often during the winter term.

At the beginning of the school year in September seven pupils from this town entered Tilton Seminary that the School Board had not been notified of when the appropriation was made, so the appropriation was not large enough to meet the bills for tuition, and part of them had to be turned over to the Selectmen. Parents should notify the School Board of those whom they intend to send away to approved high schools or academies, expecting the school district to pay the tuition, so that a sufficiently large appropriation may be made to meet the same.

The scholars graduating from our schools the past year are as follows:

At Conway Village; Katherine Abbott Potter, Eleanor Madelyn Davis, Ernest Leroy Richardson, Ruth Hazel Berry, Ray Alonzo Heath, Harold Joseph Cloutman, Charles Becham Shackford, Olive Lillian Tasker, William Sargent Morton, Sadie Pauline Carson.

At North Conway: Edith S. Whitaker, Blanche E. Thompson, Rexford P. Seavey, Harold J. Tripp, Bertha A. Nute, Vivian M. Weeks, Eva M. Cheney, Ruth F. Meikle, Vera M. Browning.

At East Conway: Leila Elizabeth Shirley, Alice Brooks.

At South Conway: Katherine Gale Wakefield, Margaret Perkins.

At Center Conway there were no graduates,

Respectfully submitted,

ABBIE M. D. BLOUIN,
ARTHUR E. KENISON,
CHARLES P. BUZZELL,
School Board of Conway.
